# How to Set Up the NEW Area04 Assembly App (New)* on Your Phone

*The Area04 Assembly App is not a true mobile app like those you download from the app store. It is a PWA (Progressive Web App) specifically designed for use on a phone, tablet, or computer through a web browser but with the feel of an app.

Step 1) Point your phone camera at the above QR code and click on the link it generates OR in your phone browser app (Chrome or Safari) go to: https://tinyurl.com/newa4app

iPhone (Chrome or Safari)	**Android (Chrome)**
Step 2) Click on the share button:	Step 2) Click on the three dots button in the top right:
Step 3) Choose "Add to Home Screen", then "Add"	Step 3) Choose "Install App", then "Install"
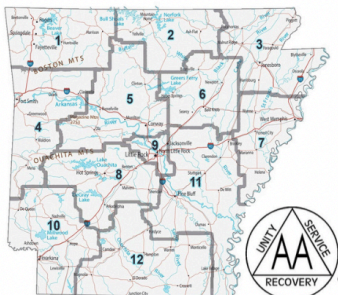

Step 4) The Assembly App icon will now be on your phone's home screen. Select it anytime to access all the Area Assembly info and reports. We use this same app for all of the Area Assemblies so it will come in handy all year long.
